### CONTRACTING PROVISIONS

6.1. If either Party determines that Contracting is necessary to fulfill that Party's responsibilities under the scope of work of any PA, that Party shall contract in accordance with its respective national laws, regulations, and procedures.

6.2. When one Party individually contracts to perform a task under a PA to this MOA, it shall be solely responsible for its own Contracting, and the other Party shall not be subject to any liability arising from such Contracts without its prior written consent.

6.3. For all Contracting activities performed by either Party, for the benefit of the other Party or both Parties, the POs shall be responsible for the coordination of activities relating to a PA and shall cooperate with the Contracting Officer in the areas of Contract procedures, Contract negotiation, evaluation of offers, Contract award, and Contract modifications. The Parties shall review statements of work prior to the issuance of solicitations to ensure that they are in accordance with this MOA and applicable PA. The Contracting Officer shall keep the POs advised of all significant developments associated with award and performance of Project Contracts, and shall keep the POs advised of all financial agreements or arrangements with the Contractor. The Contracting Officer shall incur contractual obligations consistent with this MOA, the applicable PA, and the approved Project Plan, including the PCR, provided by the POs. In the unlikely event that Exceptional Circumstances arise, the Contracting Officer shall consult with the POs and the SC or, if no SC is established, the AAs, and execute Contracting actions consistent with any revised PCR. If such consultation does not result in a revised PCR, the Contracting Officer shall act considering the interests of the Parties when incurring obligations beyond the scope of the Project Plan. In the event that the other Party disagrees with the action taken by the Contracting Officer, the disagreement shall be resolved in accordance with Article XV (Settlement of Disputes) of this MOA.

6.4. The POs may make use of a Party's Contracting Agency in the event that Contracting on behalf of the other Party or both Parties is required to implement the Project. The Contracting Agency so used shall place Contracts in accordance with its respective national laws, regulations, and procedures with such waivers and deviations its procedures permit and as deemed necessary to implement the provisions of this MOA and the applicable PA. The Contracting Party's Contracting Officer shall be the exclusive source for providing contractual direction and instructions to the Contractors.

6.5. Each Party's Contracting Agency shall insert into its prospective Contracts (and require its Contractors to insert in subcontracts) suitable provisions to satisfy the requirements of this MOA, including Article VIII (Disclosure and Use of Project Information), Article IX (Controlled Unclassified Information), Article XI (Security), Article XII (Third Party Sales and Transfers), and Article XVIII (Amendment, Termination, Entry Into Force, and Duration) of this MOA, and including export control provisions in accordance with this MOA, in particular paragraphs 6.6. and 6.7. of this Article. Each Party's Contracting Agency shall negotiate to obtain the rights to use and disclose Project Information required by Article VIII (Disclosure and Use of Project Information) of this MOA. During the Contracting process, each Party shall also advise Prospective Contractors of their responsibility to notify immediately their respective Party's Contracting Agency, before Contract award, if they are subject to any license or agreement that will restrict their Government's freedom to disclose Information or permit its use, and to employ their best efforts not to enter into any new agreement or arrangement that will result in restrictions.

6.6. Each Party shall legally bind its Contractors to a requirement that the Contractor shall not retransfer or otherwise use export-controlled Information furnished by the other Party for any purpose other than the purposes authorized under this MOA. The Contractor shall also be legally bound not to retransfer the export-controlled Information to another Contractor or subcontractor unless that Contractor or subcontractor has been legally bound to limit use of the Information to the purposes authorized under this MOA. Export-controlled Information furnished by one Party under this MOA may only be retransferred by the other Party to its Contractors if the legal obligations required by this paragraph have been established.

6.7. Each Party shall legally bind its Prospective Contractors to a requirement that the Prospective Contractor shall not retransfer or otherwise use export-controlled Information furnished by the other Party for any purpose other than responding to a solicitation issued in furtherance of the purposes authorized under this MOA. Prospective Contractors shall not be authorized use for any other purpose if they are

not awarded a Contract. The Prospective Contractors shall also be legally bound not to retransfer the export-controlled Information to a prospective subcontractor unless that prospective subcontractor has been legally bound to limit use of the export-controlled Information for the purpose of responding to the solicitation. Export-controlled Information furnished by one Party under this MOA may only be retransferred by the other Party to its Prospective Contractors and prospective subcontractors if the legal obligations required by this paragraph have been established. Upon request by the furnishing Party, the receiving Party shall identify its Prospective Contractors and prospective subcontractors receiving such export-controlled Information.

6.8. In the event a Party's Contracting Agency is unable to secure adequate rights to use and disclose Project Information as required by Article VIII (Disclosure and Use of Project Information) of this MOA, or is notified by Contractors or Prospective Contractors of any restrictions on the disclosure and use of Project Information, that Party's Contracting Agency shall refer the matter to the POs who shall submit it to the AAs for resolution, if no SC is established.

6.9. The Contracting Officer shall promptly inform the POs of any significant cost growths, schedule changes, or performance problems under any Contract for which the Contracting Officer is responsible. In such cases the POs shall promptly advise the SC or, if no SC is established, the AAs.

6.10. Upon mutual written consent, consistent with Article II (Objectives) of this MOA, a Party may contract for the unique national requirement of the other Party.

14.2. Each Party shall use its best efforts to ensure that customs duties, import and export taxes, and similar charges are administered in a manner favorable to the efficient and economical conduct of the work under this MOA and its PAs. If any such customs duties, import and export taxes, or similar charges are levied, the Party in whose country they are levied shall bear such costs over and above that Party's shared costs of the PA.

18.1. Except as otherwise provided, this MOA or any of its PAs may be amended by the mutual written consent of the Parties.

18.2. This MOA or any of its PAs may be terminated at any time upon the written consent of the Parties. In the event both Parties consent to terminate this MOA or any of its PAs, the Parties shall consult prior to the date of termination to ensure termination in the most economical and equitable manner.

18.3. Either Party may terminate this MOA or any of its PAs upon 90 days written notification to the other Party of its intent to terminate. Such notice shall be the subject of immediate consultation by the POs, or an SC if established, to decide upon the appropriate course of action to conclude the activities under this MOA or a PA. In the event of such termination, the following rules shall apply:

18.3.1. The Party terminating this MOA or any PA under this MOA shall continue participation, financial or otherwise, up to the effective date of termination.

18.3.2. Except as to Contracts awarded on behalf of both Parties, each Party shall be responsible for its Project-related costs associated with termination of the Project. For Contracts awarded on behalf of both Parties, the Party terminating this MOA or any PA under this MOA shall pay all Contract modification or termination costs that would not otherwise have been incurred but for the decision to terminate. However, in the event of termination, in no event shall a terminating Party's total financial contribution, including Contract termination costs, exceed

that Party's total financial contribution for the PA.

18.3.3. All Project Information and rights therein received under the provisions of this MOA or its PAs prior to the termination of this MOA or a PA shall be retained by the Parties, subject to the provisions of this MOA and its PAs.

The respective rights and obligations of the Parties regarding Article VII (Project Equipment), Article VIII (Disclosure and Use of Project Information), Article IX (Controlled Unclassified Information), Article XI (Security), Article XII (Third Party Sales and Transfers), Article XIII (Liability and Claims), Article XV (Settlement of Disputes), and this Article XVIII (Amendment, Termination, Entry into Force, and Duration) of this MOA shall continue to apply notwithstanding termination or expiration of this MOA or any of its PAs.

18.5. This MOA, which consists of a preamble, eighteen (18) Articles, and one (1) Annex, shall enter into force upon signature by both Parties and shall remain in force for 25 years, unless terminated earlier. It may be extended by written agreement of the Parties. Unless otherwise agreed between the Parties, all PAs shall terminate upon the termination or expiration of this MOA.

18.6. This MOA supersedes the April 22, 1997 Technology Research and Development Projects (TRDP) Agreement, which shall terminate upon entry into force of this MOA, except for those PAs that entered into force under the TRDP Agreement and that have not expired prior to the entry into force of this MOA. For those PAs the terms of the TRDP Agreement shall continue to apply as long as such PAs are in force.

1.0. Purpose and Scope

1.1. This Appendix establishes the conditions that shall govern the conduct of Cooperative Project Personnel (CPP) assigned for work in accordance with Article III (Scope of Work) and Article VI (Management) of this Project Agreement (PA). CPP must be able to perform all responsibilities assigned to them under this PA and this Appendix. Commencement of assignments shall be subject to any requirements that may be imposed by the Host Party or its Government regarding acceptance of CPP, such as, but not limited to, visas and visit request documentation. The Host Party and Parent Party shall determine the length of tour for the positions at the time of initial assignment.

1.2. CPP shall be assigned to work on a specific Project and shall report to a supervisor to be identified by the Host Party. CPP shall have a position description determined by the Parent Party and Host Party. CPP shall not act as liaison officers for their Parent Party. CPP may act from time to time on behalf of their respective Steering Committee (or Project Officers as applicable) members if the latter so authorizes in writing.

1.3. CPP shall not be assigned to command or other positions that would require them to exercise responsibilities that are reserved by law or regulation to an officer or employee of the Host Party's Government.

2.0. Security

2.1. The Host Party shall establish the level of security clearance required, if any, to permit CPP to have access to facilities in which Classified Information is used in accordance with the Project Security Instruction (PSI). Access to Classified Information and facilities in which Classified Information is used shall be limited by the scope of the relevant Project Agreement and shall be kept to the minimum required to accomplish the work assignments.

2.2. The Parent Party shall file visit requests through prescribed channels in compliance with the Host Party's

procedures. As part of the visit request procedures, each Party shall provide security assurances, through the Embassy of Sweden in Washington, D.C., United States, in the case of Swedish personnel, and through the U.S. Embassy in Stockholm, Sweden, in the case of U.S. personnel, and specify the security clearances for the CPP being assigned.

Prior to commencing assigned duties, CPP shall, if required by the Host Party Government's laws, regulations, policies, or procedures, sign a certification concerning the conditions and responsibilities of CPP.

2.4. CPP shall at all times be required to comply with the security and export control laws, regulations, and procedures of the Host Party's Government. Any violation of security procedures by CPP during their assignment shall be reported to the Parent Party for appropriate action. CPP committing significant violations of security laws, regulations, or procedures during their assignments shall be withdrawn from the Project with a view toward appropriate administrative or disciplinary action by their Parent Party.

2.5. All Classified Information made available to CPP shall be considered as Classified Information furnished to the Parent Party, and shall be subject to all conditions and safeguards provided for in Article XII (Security) of the MOA, and the PSI.

2.6. CPP shall not have personal custody of Classified Information or Controlled Unclassified Information unless approved by the Host Party and as authorized by their Parent Party. They shall be granted access to such Information in accordance with Article X (Controlled Unclassified Information) and Article XII (Security) of the MOA during normal duty hours and when access is necessary to perform work for the Project.

2.7. 3.0. Technical and Administrative Matters

3.1. The tax treatment of income received by CPP from the Parent Party shall be determined by reference to the tax legislation of the Government of the Host Party and the Government of the Parent Party, subject to the terms of any double taxation agreement in force between the Government of the Host Party and the Government of the Parent Party, or by the terms of any relevant agreements.

3.2. Upon or shortly after arrival, CPP shall be provided briefings arranged by the Host Party's representative regarding entitlements, privileges, and obligations, granted pursuant to any relevant agreement, such as:

3.2.1. Any medical and dental care that may be provided to CPP and their dependents at local medical facilities, subject to the requirements of applicable laws and regulations, including reimbursement when required.

In accordance with the laws and regulations of the Host Party's Government, the Host Party shall assist the Parent Party in carrying out investigations of offenses involving CPP.

3.5. During their assignment, CPP shall not be placed in the following duty status or environments unless mutually agreed by the Host Party and Parent Party:

Any such CPP approved by the Host Party and Parent Party for involvement in hostilities shall be given specific guidance as to the conditions under which the assignment shall be carried out by the appropriate authorities of the Host Party and Parent Party.
